Perl
Contents

How to install perl modules

- Just follow the directions at:
  - http://www.cpan.org

How to compile perl

- Just follow the directions at:
  - http://www.cpan.org/src

Way to get a list of all perl modules installed on machine and visible in @INC

```
perl -MFile::Find=find -MFile::Spec::Functions -Tlwe 'find { wanted => sub {print canonpath $_.if /\.pm\z/}, no_chdir=>1}, @INC'
```
